

Like a bee wants to be in a blooming Rose

She is not beautiful;
She is not built like a model
She is not overly sexy

Her Secret is
her cute way of walking
Her cute way of talking
Her cute yellow sundress
Her cute way of eating crabs cakes
Her cute way of swimming in the moon light
Her cute way of kissing me good night
Her cute way of looking at me
Her cute fierily eyes and sunning soul

That makes me want to be in her
like a bee wants to be in a blooming Rose
